Strasbourg and the beautiful villages of Alsace 2 day trip from Paris with the TGV

Between the Rhine and the Vosges mountains, Alsace offers its villages with their neat houses between vineyards and forest. The promontory of the Vosges, such as Mont Saint-Odile, the high-Koenigsbourg and the summits, which are called here "Balloons", dominate an harmonious country from the "Ried" (reed) in the north to the vineyards in the south.
